ROWAN UNIVERSITY · ACM CSPR

ACM CSPR

Computer Science Presentation Series

A weekly stage for **every student** to share what they're building, reading, and discovering in computer science.

No experience needed. Just **curiosity**.

Where ideas find their spotlight.

Present your work. Hear cutting-edge research. Build real connections with faculty and peers. **Every Friday is a new opportunity** to grow as a researcher and thinker.

- Faculty Talks
- Student Presentations
- Workshops
- Paper Discussions
