COMPUTER SCIENCE PRESENTATION SERIES

ACM CSPR

Rowan University

A space where **curiosity becomes discovery.** We bring together students and faculty to explore cutting-edge research, share published work, and build the next generation of researchers at Rowan University.

WHEN & WHERE

📍

ROOM 302

Robinson Hall

📝

EVERY FRIDAY

3:00 – 4:00 PM

FREE & OPEN TO ALL

WHAT WE DO

01 🚀

Faculty Research Talks

Faculty members present their latest research, published papers, and ongoing work across computer science disciplines.

02 ⭐

Student Research Talks

PhD, graduate, and undergraduate students share their own research in a supportive, collaborative environment.

03 🛠️

Workshops

Hands-on sessions covering Data Analysis, Machine Learning, and the latest tools shaping the field today.

04 🧠

Paper Discussions

Dive deep into influential research papers. We read, question, debate, and extract ideas that matter.

READY TO EXPLORE?

JOIN ACM CSPR

No experience required — just bring your curiosity.
